**This sheet must be submitted with the assignment, signed and BOX A filled in.  
LATE SUBMISSION WILL ATTRACT A STANDARD LATENESS PENALTY.**

**ASSIGNMENT BRIEFING SHEET**

**ASSIGNMENT AIMS:**

The Final Project Report is the major assessment item. The report details the work undertaken on the BSc Project and must be presented as defined in guidelines provided on the Project micro-site and following guidance provided by the project supervisor.

**MODULE LEARNING OUTCOMES ASSESSED:**

- Select and resolve a substantial practical task in which knowledge of Computer Science principles and techniques must be applied;
- Plan and conduct a programme of practical work independently of close supervision;
- Document, report on, and critically evaluate, their work in a manner appropriate to the needs of a specified readership.

**SUBMISSION REQUIREMENTS:**

There will be two submissions of the project report.

An electronic copy (including appendices and source code) via the Project Micro-site ( <https://karl.stca.herts.ac.uk/> ).

A paper copy (excluding appendices and source code) via the Computer Science Reception.  
Full instructions are posted on the Project Micro-site.

**FEEDBACK FROM THIS ASSIGNMENT**

Feedback will be as part of an on-line marking form. Any further detailed feedback should be requested after the release of the marking form, by arrangement with your supervisor.

**MARKS AWARDED FOR:**

The Final Report is worth 90% of the overall course marks.

Marking forms and Guidance to markers will be provided separately to all supervisors and moderators.

This assignment is worth  % of  
the overall assessment for this module.

Typical (hours) required by the   
student(s) to complete the assignment.

Date work  
handed out

Date to be  
handed in

Internal moderator  
approval (signature)

Target date for the return of the marked assignment

**Marks Awarded  
(% or grade)**

**Marks Awarded (% or  
grade) after lateness  
penalty**

Late submission will attract  
standard lateness penalties

A note to the Students:

1. For undergraduate modules, a score of 40% or above represents a pass mark.
2. For postgraduate modules, a score of 50% or above represents a pass mark.

STUDENT COMMENTS ON THE ASSIGNMENT *(optional- for your continued academic and personal development you are encouraged to review your achievement and reflect on your progress in your studies).*

- What did you do well?
- What could you have done better?
- What would have enabled you to do it better?

MARKER'S COMMENTS *(markers may elect to provide feedback or comments by alternative means on students' submissions, e.g. StudyNet, detailed marking plan, etc.)*
